days, beginning October 25th, at 11 o'clock promptly, in the parlors of Ferguson's music store. Chopin will be the composer under consideration for October 26th.

Enjoyable Affair.

What promises to be a most enjoyable entertainment is to take place next Monday evening, October 17th, in the Young Men's Christian Association building, at the Reservoir, at 8:30 P. M. The Rev. John Hannon will give his wholly delightful and mirth compelling lecture on "Dynamite." It has been said that the only thing explosive about the lecture is the explosions of laughter which it produces.

Miss Kate Fuller, a widely known and popular elocutionist, is most kindly giving her services for the evening, and Mrs. James Buchanan, formerly of New York, will give several numbers. Mrs. Buchanan is a comparative stranger in Richmond, but will give a warm reception, not only on account of the lecture, but for her charming personality.

The proceeds of the entertainment are to be given to the sick and relief fund of the Woman's Auxiliary to the Association work in connection with the Virginia Passenger and Ferry Company.

Cases of illness among the men and their families constantly occur and though financial aid is given or desired only when the man of the family is unable to earn, the auxiliary are most desirous of raising a considerable fund. Tickets, which are twenty-five cents for adults and ten cents for children, may be had at Purkin's drug store, Brauer's drug store, Harrison's drug store, in Fulton; Branch Allen's and in Manchester at Snelling's, Washington and Early's drug stores, also at Virginia Passenger and Ferry Company's office at Seventh and Main; the Young Men's Christian Association building at the Reservoir, the shops and offices of the company, and from the members of the auxiliary.

Horsho Two-Step.

A new two-step, entitled, "Southern Belle," and composed by Miss Zella Minor, will be played by Iardella's Band at the Horse Show. The two-step is inscribed to the Richmond Horse Show Association, is being brought out under its auspices, and by request of those in charge will be played each evening. This is Miss Minor's introduction to the public in this style of composition, though some of her sacred compositions have been sung in Richmond and other cities, and both vocal and instrumental. Her numbers have been several times given by our best performers. "Southern Belle" is pronounced very creditable by prominent musicians, here and elsewhere, is tuneful and taking and will doubtless prove very popular.

much by the manner in which she presented the character of "Babbie" in Barrie's "Little Minister" at the Academy on Thursday evening last. Society applauded until it was red in the face, and called Miss Adams again and again before the curtain.

Among the occupants of box and loge seats were Mrs. Arthur Glasgow and Miss Effie Branch, accompanied by Dr. Stuart McGuire, Colonel Anderson and Mr. Merwin Branch. Mrs. Glasgow was very handsome in black lace over white, and a white evening coat. Miss Branch wore white lace and a hat with ostrich plumes. Dr. and Mrs. Charles V. MISS MABEL SIMS
AS A COMPOSER

Three of Miss Mabel Sims' compositions will be played by Iardella's Band at the Richmond Horse Show this week, on Wednesday, Thursday and Friday nights, respectively. The compositions are as follows: "Swing Song," "Spiral March," dedicated to the "Hollins Spinnery," and an intermezzo, her latest composition.

Miss Sims has not only enjoyed the highest advantages in the study of music, but is by nature endowed with a rare musical talent, of which she has given evidence from her earliest childhood. She possesses also a wonderful gift of improvisation, rendering an impromptu with the ease and grace of a studied performance. She is a most accomplished pianist and organist, having taken the music course at Hollins Institute. She also holds a certificate of distinction in theory of music from the Victoria College of Music, London.

As a composer, she has been criticized favorably by her former instructors, but this is only the second time her music has been played before the public.

Each bride and groom are prominently connected, and Dr. Peple has extensive practice and training in St. Luke's Hospital.

SAFEST FOOD

In Any Time of Trouble Is Grape-Nuts. Food to rebuild the strength and that is predigested must be selected when one is convalescent. At this time there is nothing so valuable as Grape-Nuts for the reason that this food is all nourishment, and is also all digestible nourishment. A woman who used it says:

"Some time ago I was very ill with typhoid fever, so ill everyone thought I would die, even myself. It left me so weak I could not properly digest food of any kind, and I also had much bowel trouble which left me a weak, helpless wreck."

"I received nourishment as badly as anyone could, but none of the tonics helped me until I finally tried Grape-Nuts food morning and evening. This not only supplied food that I thought delicious as could be, but it also made me perfectly well and strong again, so I can do all my housework, sleep well, eat anything without any trace of bowel trouble and for that reason alone Grape-Nuts food is worth its weight in gold." Name given by Postum Co., Battle Creek, Mich.

Typhoid fever, like some other diseases, attacks the bowels and frequently sets up bleeding and makes them for months incapable of digesting the starches and therefore predigested Grape-Nuts is invaluable for the well known reason that in Grape-Nuts all the starches have been transformed into grain. This means that the first stage of digestion has been mechanically accomplished in Grape-Nuts food at the factory and therefore anyone, no matter how weak the stomach, can handle it and grow strong, for all the nourishment is still there.

There's a sound reason and 10 days' trial proves.

Mrs. Charles Dana Gibson in a black princess gown and with her pretty coloring heightened by the draperies of her mourning veil, was with Mrs. Jesse Tyson, Edward Brooks, also in somber attire, but piquant and pretty. Each looked as fresh and as untroubled as though they had dressed for an afternoon occasion.

The same magazine in mentioning Miss Handy's marriage to Mr. Potter, refers to her friendship for and association with a beautiful group of women who were her school friends, and are now Mrs. Jesse Tyson, Mrs. J. Lee Teller, Mrs. Turnure, Mrs. Henry Clegg, Jr., Mrs. Stevens, Miss Lora Robinson and Miss Nellie Stirling. Reference also is made to the beauty and accomplishments of Miss Handy's mother, who before her marriage was Miss Mabel Corey.

FLOWERS ON PARKS.

Mr. Grimes Believes They Should be Cultivated.

Mr. John R. Grimes, chairman of the Committee on Grounds and Buildings, is becoming enthusiastic over the cultivation of flowers in the city parks, and his views are endorsed by a large number of the members of the committee. Mr. Grimes is a great believer in the parks, and he contends that the city can well afford to make liberal appropriations to beautify and keep them in order. He says that flowers should be cultivated along all the walkways of the parks, and that there should be beds here and there in the interior. Mr. Grimes has also some advanced ideas about keeping down the grass in the streets of the city, and at the proper time he expects to bring both matters to the attention of the Council.
